...professional, affordable reportage photography

**Storybook Wedding Albums**

I am proud to work with GraphiStudio to provide top quality storybook albums to my clients. This Italian company has been market leader in the field for many years and works right across Europe. You can find out more about them by visiting their website www.graphistudio.com

Storybook albums are designed to do exactly what they say on the tin – tell the story of your day. The layouts are created uniquely for you from the image selections that you make. Each book is perfectly bound with a matching photographic jacket cover.

Each album measures approximately 20x30cm and costs £300.
